• **Council Initiatives for Academic Improvement**

The newly reconstituted Council shall proactively undertake initiatives to enhance the quality of teaching and training programs across the institution.

• **Performance Review and Remedial Measures**

The Council will regularly review students' performance in all examinations, including University exams. In cases of poor performance, the Council shall investigate the underlying causes and implement suitable remedial measures.

- **Continuous Academic Monitoring**

Academic performance shall be reviewed throughout the year on a department-wise basis. Internal Assessment Examinations shall be conducted regularly every Saturday. Results, along with student attendance records, must be published the following Monday.

- **Faculty Engagement and Accountability**

All Heads of Departments (HODs) must ensure the availability and active participation of faculty members in academic and research-related activities.

- **Faculty Development and Evaluation**

Faculty improvement programs and performance evaluations shall be instituted. Each department should conduct regular seminars, preferably with interdisciplinary topics to promote interactive and multidisciplinary participation.

- **Medical Education Unit Activities**

The Medical Education Unit should regularly organize presentations of research outcomes, seminars, and Continuing Medical Education (CME) programs on pertinent topics.

- **Student Seminars**

Each department must organize student seminars on designated topics. These topics should be assigned well in advance to facilitate preparation and effective participation.

- **Departmental Research Committee**

A Departmental Research Committee shall be established to review and approve proposed research topics and their protocols. Research requiring ethical approval must be submitted to the College Ethics Committee.

- **Addressing Chronic Absenteeism**

The Council must address issues of chronic student absenteeism with seriousness. The reasons behind mass absenteeism should be analyzed, and appropriate counseling, corrective actions, and disciplinary measures should be implemented.
